Head teacher: Mr Gordon Davies

What is Pupil Premium Grant?

Introduced in April 2011, the Pupil Premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include children who are entitled to free school meals, those children 'Looked After' by the Local Authority and children of armed service personnel. The intended effect of this funding is to accelerate progress, raise attainment, provide additional care and if appropriate support pupils in the participation of outside activities.

The premium can be spent however the school decides provided it is focused upon narrowing the gap in the attainment and equality of opportunity of those children. The school is required to report on the amount of funding received and how this is being used including the impact of the funding. Pupils are reviewed on a termly basis so that interventions and planned support etc. can be reviewed and changed/adapted when necessary.

The school's Senior Management Team will measure and record the impact on individual pupils and/or families. The Governing Body has also nominated a Governor who acts as the link with the school for matters relating to Pupil Premium.

Number of pupils and pupil premium grant (PPG) received	
Total number of pupils on roll as at April 2016	301
Total number of pupils eligible for PPG	41
Amount of PPG received per pupil in April for the financial year 2016-17	£1,320
Amount of PPG received per LAC (Looked After Children) for the financial year 2016-17	£1,900
(PPG funding is allocated annually based on Spring census numbers only. No additional funding is given for the increase in eligible pupils throughout the year)	
Total of PPG received	£54,120

How the Premium will be spent at Beechwood 2016/17
