Deputy Head teacher: Mrs Rachel Minter

NEWS FROM THE INTERIM EXECUTIVE BOARD (IEB)

Dear Parents/Carers

We hope you all had a restful and peaceful half term holiday.

As you will be aware the school underwent a two-day Ofsted Inspection running up to Half Term.

The initial feedback on the day from inspectors was in-line with our self-assessment and expectations; we await our written report. We are working hard with the school on the feedback provided which largely vindicated the priorities identified by Miss Curtis on her appointment. The IEB is pleased to support the exceptional work she has begun with Mrs Minter on these identified areas for improvement. As soon as our report arrives we will of course share this with you - we expect that to be late in the Summer Term.

The IEB continues to address the financial deficit at the school with long term sustainable plans, placing emphasis on Teaching and Learning for every pupil as its priority. We are delighted to report that the building work is almost complete with most areas handed back to the school.

The school is always looking for help from local companies or any family members who may know companies that have a scheme to donate time in schools. If anyone has any knowledge/contacts with companies wishing to participate in a Local Community Project, please contact Miss Curtis.

Towards the end of this term, the school will send out a parent survey for you all to complete; your children will be asked to take part in their own survey. The IEB are extremely grateful for the open, honest and supportive feedback that parents gave to the Ofsted Inspectors both verbally and online. Thank you.

Thank you for your continued support.

Beechwood IEB
