Dear Parents/Carers

Following my newsletter piece regarding Superstar Sports I took the decision today to cancel their contract. I have been unhappy with the organisation of clubs, the feedback from parents hasn't been good and the issues did not seem to be resolving. Superstar Sports have assured me that they will refund any payments due back to you for clubs you have paid for after half term. Please let me know if you don't hear from them as they have assured me they will act upon this quickly.

From after half term we will be using a local company who already work in 40 Reading and Wokingham schools, they are called uSports. This company had the unenviable job of being sub contracted by Superstar sports but were not happy to continue their relationship with them either. I met with their director today and we put together a plan for clubs starting after half term and you will hear from them very soon.

We are confident our new company will be more organised and reliable and hope to enjoy a long relationship with them.

Kind regards

Sarah Curtis
