

Mother's Day Market 2019

This year we would like to offer children the opportunity to buy something special for their Mum or a significant person in their lives.

A market place will be set up in school on Wednesday 27th March and each child will be able to visit during the day and choose a gift or two.

A payment of £3 for each child wishing to purchase gifts will need to be made by Friday 15th March and handed into the school office along with this order form.

Child's name	Class

Just in case we need to contact you regarding your order please provide us with a **contact name and phone number/email address:**

Data protection: Your information will be kept securely, will not be shared with anyone outside of the PTA Committee and will be destroyed after the event has taken place.
