Dear Parents and Guardians,

This letter is a further update on corona virus and provides as much information as we currently have from the government.

Am I a key worker and therefore will my child/children be able to attend school?

The Government has said they will provide a list of key workers. As soon as we have the final list we will write to you and explain what information is needed (for example work ID) to be provided to schools. While we are waiting for the list to come out we are making some assumptions on who a key worker is- it is an assumption and we have attached a form for you to complete and **return to the school tomorrow**

My child/children have additional needs- can they attend?

The information from the government indicates children with EHC Plans or those who have a social worker can attend school. The government hasn't said whether children must attend school and we await further information on this.

We don't know yet if the Government is extending this to children who have an EHC Plan pending.

How will free school meals be accessed?

We are working through this with our Catering provider and more information will follow.

We are finalising our plans and will write to you again tomorrow with more information.

Please complete and return this form if you are or feel you would be a keyworker and would like your child/children to attend school

Child/children names	Name of person completing this form

Keyworker category	Your occupation	Your employer
Medical, nursing, paramedic/ambulance staff		
Workers in Adult Social Care, Social Workers and Teachers		
Health Care Assistants and Administrators in GP practices		
Childminders- certified
