Lego Donations

We would appreciate donations of any lego you may have spare at home. There will be a collection box placed outside the office door until 24th July for any donations big or small.

September

Tomorrow you will receive a letter outlining our plans for opening in September. As always any plans we put in place will remain subject to the latest Government guidelines as we approach September.

Dear Parents and Guardians,

Somehow we find ourselves in the final week of the academic year, and what a year it has been! I know when we set out at the start of the year, none of realised what an unprecedented year it would be and that we would be hit by a global pandemic.

Despite the challenges Covid-19 has brought us, I can honestly say it has been an absolute pleasure and privilege to be headteacher of Beechwood Primary School this year. It has been wonderful to get to know you and your amazing children and to watch them grow, develop and extend their learning. I feel extremely proud to be part of Beechwood.

It has also been fantastic to work with such a dedicated and wonderful staff team, local governing body and Academy trust. I would like to thank each and every one of them for everything they have done this year.

The shared enthusiasm and commitment of all our pupils, staff, parents and governors and school community are what makes Beechwood the school it is. We place a huge importance on the support and partnership we have with you as parents/ guardians. I would like to extend my sincere thanks on behalf of the school team for your ongoing support over the past year, especially these last few months when we have been in unchartered territory.

To all our children and families moving on at the end of the year; we would like to thank you for all your hard work and support and wish you and your child(ren) every success for the future. I hope you leave us with fond memories and a smile thinking about your time with us. It has been a real pleasure to be part of your child's learning journey.

Wishing you all a relaxing and enjoyable summer break. You certainly all deserve it!

I look forward to seeing you back on Monday 7th September, when the new term begins for the children and as we move forward with our learning journey and onto the next chapter at Beechwood.

Kind regards,
Miss SE Hunter

Uniform—School Trends

Our online uniform ordering service is now up and running:

<https://www.schooltrends.co.uk/uniform/BeechwoodPrimarySchoolRG54JJ>

Any school item(s) you buy from School Trends will have the new school logo on. Please remember there is no expectation for children to have items with the new logo on from September. The new logo will phase in as new items are purchased when they are needed.

We have a surplus of our old logo items in the PTA garage which we would like to offer families who receive Pupil Premium Funding or who maybe struggling financially at this difficult time. We have a limited stock of each item (apart from age 11-12 cardigans) which will be available at no cost on a first come basis, can we please ask that you email/post a note of your requirements including your details through to the school office by Friday 17th July. Requests will be made up over the school holidays to be collected on the inset days in September.

A reminder our new FS children can start school in burgundy sweatshirts and/or sweatcardis rather than school jumpers, with the option of white polo shirts rather than traditional shirts in September. Any child in Year 1 or Year 2 also has the option of returning in a sweatshirt and/or sweatcardi with a white polo shirt if they would like to, however, this is completely optional. We will phase in sweatshirts and sweat cardis for Key Stage 1 over the coming months as uniform items need replacing.

As this stage there will be no change to the Key Stage 2 (Year 3, 4, 5 and 6) uniform. Children should remain in our traditional school jumpers with shirts and ties, although any new items purchased will have the new logo on them. We plan to continue to review the KS2 uniform – jumpers, shirts and ties, during the next academic year and as of such children moving to Year 3 in September do not have to wear a tie, unless they already have one at home.

Thank you for all the learning you have carried out at home. See you in September!
