

Music
The children will be looking at a variety of beats and rhythms through a wide range of genres and instruments.

Geography
We will be learning about Canada and their imports and exports of natural resources. We will discuss the reasoning behind the trading of Canada's natural resources.

Maths
We will be covering the following concepts:

Year 5	Year 6
Decimals	Statistics
Property of shape	Geometry

English

	Year 5	Year 6
<u>Reading</u>	We are focusing on the skills needed to answer high level comprehension questions	We are reading <i>Tom's Midnight Garden</i> and focusing on a wide variety of comprehension style questions.
<u>English</u>	We are looking to vary our sentence structure and apply this to different genres. We are also looking at expanding our vocabulary	We are practicing various grammar skills to vary our sentence structures, which we will be applying to our <i>Honey I shrunk the Kids</i> adventure story.

Year 5 + 6 Summer 1

ICT
We are not currently able to enter our computer lab, however, we will still touch upon E-safety and researching skills.

PSHE
We will continue to follow the Jigsaw programme. We will be looking at 'Relationships.' There will also be a large focus on mindfulness activities throughout the term.

Science
This Summer term we will explore the different forces and how they impact everyday life. We will be making our own parachutes and evaluating the forces that act on it.

PE/Games
In Physical Education we will be focusing on Rounders and athletics; learning new skills such as bowling, fielding, and skills of different athletic events.
Reminder: Please arrive at school in your PE kit when you have PE. We will not be changing throughout the day to maintain social distancing.
Indoor PE:
Unfortunately, we will not carry out Indoor PE at this time, due to COVID-19.
