

Over the last Year at Beechwood.....

Butterflies have enjoyed exploring some amazing topics such as dinosaurs, superhero's, traditional tales, space and pirates. The children have been on Troll and Evil Pea hunts. They have become news reporters, inventors and master builders. Their imagination has blossomed and their independence has grown. We wish them all the best for year 1 .

Year 1 have had a fantastic year. At the beginning of the year they learnt about different celebrations and in the spring term they enjoyed learning lots of facts about The Victorians. We were all so impressed with their super efforts with home learning. They had lots of fun with our last topic travelling all around the world; visiting lots of interesting countries. Year 1 have all worked so hard this year and have made great progress - Well done! The Year 1 team wish you all a lovely summer and the best of luck in Year 2!

Year 2 have spent their time working very hard at their learning. Whether at home or at school, they have always given their best. They have grown so much in so many ways. Year 2 staff are proud to send them on to Year 3 as responsible, caring young people, who will know will continue to make wonderful progress next year.

Year 3 have had a fabulous year, packed full of learning, progress and so many fantastic moments. Highlights have included their Stone Age topic, exploring the Amazon rainforest and of course the mystery of the missing fig tree. More recently, they have absolutely loved learning about the Ancient Greeks, especially all the gods, beasts and heroes that have filled the myths that they've enjoyed so much. They are now ready for their next adventure in Year 4!

Year 4 have worked so hard during such a challenging time. They have learnt so much and tried so hard, all with a smile on their faces. We are so proud of the progress they have all made and we have loved being their teachers! We wish them the very best in their next steps!

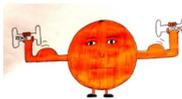

Year 5, you have all come so far. It has been a pleasure to watch you grow and mature. You have taken on challenges and made fantastic progress. Your personalities have shone and you have done yourself proud. Well done for being resilient, determined and so dedicated to your learning. We wish you could see how much progress you have made since the beginning of Year 5. We are so excited to have you back with us in September where we know you will smash Year 6! Have a lovely summer holiday. We can't wait to hear all about it when you're back.

Year 6 have blown us away. The amount of times they stepped out of their comfort zones, tried something new or showed us how resilient they can be has been wonderful to watch. We are so proud of you Year 6's and we will miss you so much. Best of luck on your next adventure.

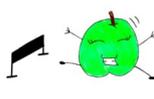

House Competition Results:

Well done to all of our Brilliant Banana's for collecting the most tokens this School Year!

Outstanding Oranges
2,570

Amazing Apples
2,483

Super Strawberries
2,732

Picture News

at Home

19th July 2021

What's going on this week?

The world's largest ever trial of a four-day working week and reduced working time has been described as an "overwhelming success" following a 5-year pilot held in Iceland. Many are now calling for similar pilots to take place in the UK. Since the pilot concluded, 86% of the working population in Iceland now either work reduced hours or have flexibility to do so.

Things to talk about at home...

- 🌱 Do you think that if schools had a four-day week instead of a five-day week you would be likely to work harder or not as much?
- 🌱 Thinking about breaktimes in school, why do you think it is important to have breaks? How do you feel after you have had a break? What about longer breaks such as holidays?

Please note any interesting thoughts or comments here...
